GLOBAL UPDATE

Dear GBCs, partners and sustainable building advocates,

Welcome to the WorldGBC March Global Update.

I am proud that our community continues to adapt and collaborate through these challenging times. While many aspects of our lives have been put on hold, our joint movement towards catalysing sustainable buildings for everyone, everywhere, is more driven than ever.

Here are the highlights from this month's update:

- Join us this month for the [Middle East and Africa Green Building Congress](#)
- [Four new companies](#) join WorldGBC's Net Zero Carbon Buildings Commitment
- We launch the [#BuildingLife Ambassador Spotlight](#) series

Best wishes,

Cristina Gamboa, CEO, World Green Building Council
